## Tail Spinner News

April 2013

### FROM THE PREZ

It's spring, finally! The field and road are in good shape, so let's get flying again.

Builders contest this month! We have pizza and soda as usual. Bring your latest creations or just come to eat and vote, but either way, hope to see you there.

If you still haven't paid your dues, you can take care of that as well.

Parts of the website are down. If you need any documents, applications or the newsletter, email me and I'll send them to you. The site should be updated soon.

We'll be getting some fuel so we'll be starting a fuel list at the meeting. The fuel goes fast so it's best to get on the list. If you can't make the meeting, call or email me.

Fly Safe!
