July 2013

FROM THE PREZ

Well, I think we had a very nice picnic again this year! It was a bit hot, but considering the weather we've had this year, it was one of the better days. We had another nice turn-out and all the food was great, so thanks to everyone who helped out and brought along some eats!

We need to give a special thanks to a few people who worked the hardest. Pete Peterson, who in spite of having back problems and not feeling well enough to stay for the picnic, still managed to buy all the club's food and get it to the field. Thanks again, Pete and we hope you're feeling better and get well soon! Ron Milkay, Roger Dionne and George Gore slaved over the hot grills all day, so thank you very much guys, nice job! George also took a lot of pictures during the day to document the event. Thanks George, nice pix! John O'Shaughnessy refurbished the picnic and starting tables and Ray Dolat had the field looking good as usual. Thanks guys, the field looked great! I know there are others who helped out so thanks to everyone for your efforts in making this year's picnic another success! All is well at the field, so there's not a lot of other news right now. Bring something to fly to the meeting because unless you guys have something we need to discuss it should be a short meeting...

Hope to see you at the meeting. As always, Fly Safe!
Bill

NEXT MEETING

**Wednesday,
July 17, 2013**

Pochassic Road Field

6:30 PM

Agenda

Evening Flying
