### FROM THE PREZ

I, again, have some very sad news to report. Dick Drenga passed away on May 12<sup>th</sup> of this year. Dick was a long time member of the club and a regular of the weekday morning flyers. He was a true gentleman and he had a very unique sense of humor that had us in stitches many days. I will always remember him for his friendship and sense of humor. Our sincerest condolences go out to his wife, Else, and family.

Blue Skies and Tailwinds always, Dick. We will miss you, sir.

Bill

### Astro Watt Meter

Jim Parent left his Astro Watt Meter at the field last Monday (8/11). The person who found it can contact him at 413 569-5283 or [jmpj@comcast.net](mailto:jmpj@comcast.net) to return it.

### PVRCC Fun Fly

I am going to be directing a fun fly event for the membership on Sunday, September 22, with a rain date of September 29<sup>th</sup>. I will be discussing the event at the meeting on August 21<sup>st</sup>. This will be a club sponsored non-sanctioned event for the membership only. There is minimal flying skills required for the event to keep it fair to all who attend. I've attached a tentative list of the events I plan to hold on that day, depending on attendance.

This is all about Having Fun.

Hope to see you there,  
Ray Dolat
