Agenda

Builders Contest

We're finally getting some good weather! It's been a bit windy but warmer at least. The road into the field is in fair shape, no problems, just take it slow and remember to be careful crossing the tracks.

The field looks to be in good shape. Ray and some of the guys have been working on it. Bob Allen (aka 43) pulled the roller over the field with the help of Ray and Roger. I'm not sure who else has been helping out but, Thanks Guys! Roy Thompson has refurbished the club sign for us, looks great! Thanks Roy! There are still a few things to do there, but it's flyable...

Don't forget this meeting is the builders contest. Have some pizza and show off your new stuff. Hope to see you there!

Fly Safe!
