FROM THE PREZ

We had a rather light turnout for the builders contest last month, but it was fun as usual. Congrats to the winners! Thanks to Harold for running the show again and Bud for helping out getting the pizza.

We're looking to get some fuel again this year, if you're interested you can sign up at the meeting or call or email me to get on the list.

We need to make plans for the club picnic so any help with that will be appreciated.

The road into the field has been graded by the farmer so it's in pretty good shape; still a few bumpy spots so take it slow and use caution crossing the R/R tracks.

Meetings are at the field now so bring something to fly!

Fly safe,

Bill
