From the Prez

There is no meeting scheduled for December. Club dues are still due by the end of the month so if you could, please use the attached renewal form to mail them in to Bob. The next scheduled meeting will be in April unless something comes up requiring a meeting. The late fee will be waived this year because of the lack of meetings; however dues not paid by the April meeting will be subject to the late fee.

I'm not sure about the condition of the field or road but it may be getting a bit muddy and or snowy so take care if going down there. If anyone can send me field and road condition reports over the winter I'll post them on the website, thanks. Thanks to everyone who has helped out this past year to make this another fun and safe year of flying. Wishing you and yours a Merry Christmas and Happy New Year! Thanks again and we'll see you in the spring.
Bill

If possible, pay dues before the end of December, 2014. However, the dues penalty has been waived until after the April 15, 2015 meeting.
