June 2017

NEXT MEETING

Wednesday, June 21

Pochassic Road Field

6:30 PM

Agenda

- **Finalize Picnic plan**
- **Gas purchase**
- **New Mower Blades**
- **New Picnic Tables**

Honorary Membership

Bill Andras was made an Honorary Member in recognition of his leadership as President of the club over the past many years. He does, however, have to relinquish his reserved "president's parking place".

Gas Purchase

At the last meeting members concluded that there was not sufficient interest in purchasing a 55 gallon drum of fuel for planes. Members interested in purchasing fuel in gallon containers are requested to send an e-mail to Mark with the quantity and type. The club will investigate if a bulk purchase is possible at a reduced price.

Monthly Meetings

The frequency of club meetings was discussed and members determined that they prefer a monthly meeting on the third Wednesday of the month during the summer at the flying field.

New Picnic Tables

The club is investigating the purchase of new picnic tables to replace the current three that we now have. An alternative is to repair the existing tables.

**CLUB PICNIC and TAG SALE
SUNDAY, JUNE 25**

SUPPORT YOUR CLUB

**MEMBERS ARE ASKED TO
BRING GUESTS, TAG SALE
