## Tail Spinner News

May 2018 Special Edition

### NEXT MEETING

To be announced

### Requests

Reply to items 1,2 and 3  
listed in the meeting report  
by responding to this e-mail.

### Treasurer's Report

Bank Statement as of 5/16/2018

Checking - \$7882.97

54 members

### From the Prez

Mark has asked me to remind everyone to think safety when flying at the field. Things like no taxiing through the pits and planes not parked in front of the pits. And if your transmitter is on 72 megahertz you must have a frequency clip on your antenna. Safety is everybody's responsibility. I have added a link to the AMA Safety Handbook for review. <http://www.modelaircraft.org/files/100.pdf>

### Wednesday, May 16, Meeting

Some items, requiring your response, were discussed at the Wednesday, May 16, meeting and are as follows:

1. After 8 years of dedicated Field Maintenance, Ray Dolat has decided to take his life in another direction and will no longer be involved in Field Maintenance. However, the grass is unaware that he has left and still continuous to grow. In order to allow all members to participate in continuing a field maintenance function (really needed), kindly respond if you are willing and able to participate in cutting the grass. The list of responders will be forwarded to Grant Louis and a schedule worked out.
2. Ray Dolat also was the Club Safety Officer (A position required by AMA rules); respond if interested in filing that position.
3. Members attending the meeting were divided on having a club picnic. Mark Henrie asked for a vote from all members to determine if a picnic would be desired and supported by the entire membership. Please respond if you are in favor of a family and guest invited picnic (possibly including a tag sale).

## **Pioneer Valley Radio Control Club**

# *Tail Spinner News*

Mark Henrie is having a flyer created to find new members. He will distribute the flyer at Hobby Shops. Submit any ideas you might have on how to recruit new members.

**A Special thanks to Howard  
Kelley for his generous gift of  
\$1,000 to the club to be used for  
Field Maintenance**
