January 6, 2019

The Massachusetts required annual report listing the Club's officers of record has been filed with the Corporations Division. Later this month the Club will renew the AMA Certificate for 2019 as we were able to renew our flying field lease for a year. There were no meetings held since the return of Eastern Standard time due to being unable to locate a suitable indoor meeting place.

I have been asked to provide a copy of the 2019 Club renewal form for members to pay dues. The form is attached to this message for your convenience. When submitting payment, please provide proof of current AMA Membership.

As Daylight Savings Time begins on Sunday, March 10, an April club meeting will be planned. We need to discuss revisions to the by-laws, conduct nominations and election of officers for this year, and discussion concerning a club picnic.
